Dear Prospective Volunteer,

I want to take this opportunity to thank you for the important role you are about to take on. We help to keep older adults and adults living with disabilities in their homes for as long as possible. We do those simple things that make a difference in a person's every day life. I know you will feel the joy of a simple thank you when you help someone with something that is easy for you to do, but impossible for those in need.

Together we can make a big difference.

Unfortunately, even for a volunteer position, paper work is required. Please download and complete the following documents:

1. Volunteer Application
2. Confidentiality Pledge
3. Criminal History Request
4. Conflict of Interest Policy

Please also make a copy of your driver's license and your auto insurance card. All of this should be mailed to me **using the above address**. I will contact you when we receive word that your background check is done.

In the mean time, you can give the reference form to a designated person and have it completed and mailed back to me.

Please call me if you have any questions.

Gratefully yours,

Eve Nazarian
